

12/30/71

Dear Mr. Thompson,

It is kind of you to send me a copy of your 1971 Supp. It arrived today. I want to thank you for it before I forget, for we will have having a heavy influx of critic/visitors and the free moments will be required for the completion of an almost-completed revision. I'll read it with interest when I've time to pay attention to it.

Sorry about the delays. Perhaps next time you should look for a smaller printer? And should you decide to do your next version by offset, you can do a credible job with a typewriter once you've been given the reduction scale. Costs muchless, too.

Hope you have had a good holiday season and that the coming year is a fine one for you and for all of us!

Best regards,
